3. Petition dt 10.6.25 from Mr. Miss Krishna Rao praying that the Current Year's Cess on the Village ordered to be restored to him may also be paid to him.

1 The Order ordering the restoration of One half of the Padavamakodu Hosahalli Village is at Z in G.f. 241-24

2 The prayer made in the present Petition is that the income on the said Village for the Current Year 24-25 may also be made over to him.

The Case is not altogether free from doubts for the following reasons:

3 " So far as materials available in the files in this Office go, Padavamakodu Hosahalli Village is for the purpose of Grant mortgage is made up of 2 parts of which one half has been mortgaged to Govt for the original Loan of Rs 20000 granted to the family on Common Lien & the One half of which Smt Krishna Rao is a Permanent tenant for the Loan of Rs 5000 withdrawn by an Inamdar vide Para 6(2) of G.O dt 11.6.1919. It is this latter half of the Village that has been now released & restored under the G.O of 14.3.25.

NOTE—Contn. Sheet

4 As regards the income from the village, all that is mentioned in the G.o of 11.4.1919 is in para 6 (4) that the proceeds should be devoted to the liquidation of the loan of Rs 2000/ after the advance of Rs 1300 is Recouped

5 But Circumstances thus far reported go to show that the Loan of Rs 3700 stands as it was & that nothing has been paid towards its liquidation. This position naturally interprets itself that as the provisions of the G.o have not been fulfilled. Under the Circumstances thus indicated, it is not clear how the proceeds of the village in question were being disposed of: In all probability, they must have been under enjoyment by the Krishna Rao himself. If so, the present request of the Krishna Rao is not clear. In Case it is the income of the whole village that is under mortgage for the Common loan, that is meant by him, it is not that half which has been not released, the proceeds thereof are not likely to be restored.

6 Besides, the Krishna Rao speaks of some restoration by Govt in the month of Dec 1924. This is not clear. No restoration was made then. It was only the Order of

attachment on his crops of Western land. Rest area ordered to be withdrawn.

6. Before disposal, it appears desirable to call for a report on the request from the D.C. Godhra for order with a view to

20/6 7. The half shewing Padrivana Kotha holding which Mr Krishna Rao the permanent lessee was originally reserved for the liquidation of the loan of Rs 5000 sanctioned to Mr. Krishna Rao for Constructing his house (vide Go. G.R. 4-19) but has been subsequently released by the order of 14-5-25. What Mr. Krishna Rao wants is that the benefit of produce of this land for the current year may also be given to him to enable him to meet his other liabilities for which purpose alone the lien on the land was relinquished by Govt. As the time for the repayment of the loan of Rs 5000 has also been extended there appears to be no objection to grant the petitioner's request. The draft letter to the Dy. Collector of Nagina putting is for consideration

The letter may be sent to D.C. for report. The amt collected for Suit I.T. 4 (a) 2 how it has been disposed of are points on which information may be furnished

In expressing my sincere gratitude to Government for having ordered the restoration of my Inam village on the 14th May 1925, I beg to submit that the Government may be graciously pleased to direct the Deputy Commissioner of Mysore to restore me the possession with the collection of my village from 1st July 1924 to the end of June 1925 as the Government have first ordered the restoration of the village in the month of December 1924 before the commencement of the collection season.

If the Government is pleased to order the payment of the current year's income of the village, my burden will be lessened to some extent at least. An early order may be issued in this matter.
